ACCOUNTANT JOB OPENING!

The Company

Talgo is one of the world's leading passenger trains manufacturers. In business of 75 years of experience. Talgo designs, manufactures, and provides maintenance to High Speed and Intercity passenger rail equipment. The maintenance of rail equipment expands to major overhauls of systems and subsystems on rolling stock such as light rail and heavy rail vehicles. Our parent Company is in Spain.

We are now working on the overhaul of Commuter Cars and Heavy Rail Vehicles.
